IDGOP Demands Cease and Desist of Improper Use of GOP Logo

Boise, ID -- The Idaho Republican Party will always strongly defend our Republican candidates, the use of our logo, and the Republican brand across Idaho.

It has come to our attention that a Democratic candidate in Legislative District 33 has deceitfully used an official Republican logo on a mailer featuring the non-partisan, Idaho Falls City Councilmember Ed Marohn. This mailer is misleading voters and spreading misinformation about who the Republican candidate is in Idaho Falls and Legislative District 33. Representative Barbara Ehardt is the Republican candidate for Legislative District 33, Seat A, and the Idaho Republican Party fully supports her reelection effort as our Party's nominee.

The Idaho Republican Party would like to clarify that uses of the Republican logo are reserved for Republican candidates only, as duly elected through a primary election and registered through the Idaho Secretary of State. The use of this logo by her Democratic opponent is unacceptable, deceitful, and shows blatant disrespect for Representative Ehardt and our political process.

It is time for the Republicans in Legislative District 33 to show their support for Representative Barbara Ehardt and send a clear message to everyone that spreading misinformation and desperate attempts to trick voters will not be tolerated.
